# Our Founder & Co Founder

## Empowering Connections

A Conversation with CA Priyanka Jain, Co-founder of Guftagu.

CA Priyanka Jain, the co-founder of Guftagu, A Circle of Trust, takes us through her journey from a passionate creative to a visionary in networking and corporate training. Here's an excerpt of her exclusive interview with Woman's Era:

**Could you share with our readers your personal journey and background?**

I've always been passionate about following my bliss, placing a higher value on my interests and talents than on conventional success metrics like my CA and MBA degrees. From a young age, I was drawn to speaking, writing, and singing. Though I initially envisioned a path as a writer or poet, my journey led me to become a creative content writer, speaker, and corporate trainer. I now use my love for communication to provide coaching and workshops on networking, emphasising the importance of building connections and fostering team bonding.

**What is the story behind Guftagu, A Circle of Trust?**

Guftagu was born from Mr. Rahul Jain's natural talent for connecting people and helping them grow. He initially empowered his mentees through constant motivation and follow-ups, transforming simple conversations into opportunities for growth. Driven by his desire to support others, Rahul envisioned Guftagu as a platform for genuine conversations that lead to valuable insights and collaborations. The idea blossomed into a powerful tool for mentorship, connection building, and personal growth.

**What inspired you to become a co-founder of Guftagu?**

I was inspired by the vision of creating a platform where

CA Priyanka Jain, Co-Founder Guftagu, A Circle of Trust

and learned but also genuinely enjoyed the process. Being the co-founder of Guftagu allowed me to contribute my ideas and creativity to shape the platform into a vibrant and engaging space.

**What sets Guftagu apart from other business networking platforms?**

Guftagu stands out as India's pioneer sustainable business networking platform, prioritising longevity and environmental consciousness. It offers flexibility with area attendance and category selection, high-quality leadership networking at economic rates, and a circle of trust for long-term business outcomes. Prime members enjoy exclusive benefits, including no event fees, and all members receive constant mentorship and support. The platform also organises innovative activities and provides value-adding resources to enhance the networking experience.

**How do you see Guftagu evolving in the future to continue supporting women in business?**

Guftagu will further its support for women by expanding its initiatives and fostering a more inclusive environment. We will continue offering complimentary invitations to women entrepreneurs during Women's Day month and nurturing a dedicated group called Guftagu Shakti to spearhead women-centric events. The platform will also amplify visibility and recognition for women entrepreneurs, spotlighting their achievements across various channels. Through sustained engagement, community building, strategic partnerships, and leadership development programs, Guftagu will remain at the forefront of empowering women entrepreneurs and facilitating their professional growth and success.

**GUFTAGU IS COMMITTED TO EMPOWERING WOMEN BY PROVIDING NETWORKING OPPORTUNITIES, CREATING SAFE AND INCLUSIVE SPACES, AND HOSTING SKILL-BUILDING WORKSHOPS.**

meaningful connections and growth could flourish in a relaxed and enjoyable environment. By infusing Guftagu with a sense of fun and lightness, we could create a space where people not only networked
